I think we'll get done in 2 hrs. Would coming to Edison be problematic for you?
If it is, we could still set up the adobe connect and have a conf line to walk through the locations.
Tom and I would go down to Edison though.

Hi Jen,
I can be available between 10:00 and 3:30 on 11/9.
Do you think it would take longer than 2 hours?

Trying to recover from Mets.

Hey Mike,

Hope you're doing well after Sunday night ☹

I wanted to bump this email up to see if you have had any more thoughts about your availability on the 9th.

Hi,
I'll be out of the office tomorrow.
We can finalize an approach early next week.

Need a clean sweep of 3 games over the weekend.

Mike,

Tom Connors has a conflict on the 10th so I have to look to reschedule the NCHGW OU1 PDI WP follow up discussion about VPB and MWs.

Does the 9th work for you? I'm going to plan on being in Edison for that meeting so I can sit down and go through the document with them. Tom said he was ok to come to Edison as well. We could pick you up at the train station or set it up via adobe connect if you can't make that work.

Let me know.

LGM!
